Apartment 2378 Antibes

Antibes, city center - rue Sadi Carnot, a T2 apartment to renovate on the ground floor. The apartment measures 38 m² and consists of a main living area "living room - dining room" with a kitchenette, a hallway with a closet, a 10 m² bedroom, and a bathroom with a window and toilet. The apartment needs renovation overall, but the potential is clear: right in the city center with all daily shops nearby, the port, the train station, and public transportation immediately accessible. High-quality double glazing is already installed on the street side, and the apartment is fiber-optic connected. We are the property management company for the building. A great opportunity to seize.
